AND SUPERVISORS**

CAMBODIA CHILD LABOR SURVEY 2001
THE ROYAL GOVERNMENT OF CAMBODIA
MINISTRY OF PLANNING
NATIONAL INSTITUTE OF STATISTICS

Sponsored by
INTERNATIONAL LABOR ORGANIZATION

CHAPTER 1 INTRODUCTION

This publication presents the results of the Cambodia Child Labor Force Survey conducted in 2001. This survey aimed to gather people information, status for moving household for child and family, economic activity, noneconomic activity and income for child labor etc. This survey adopted to child from 5 to 17 years old.

After completed training Enumerators and Supervisors will go to each province and city in Cambodia for interview and ask sample selection of child live in the household. Other at the end of this training we choice who are Supervisors and who are Enumerators and person who did not choice are reserve officer. During training the Enumerators and Supervisors will practice interview question form and question list to fill up edit and check corectly in the practice place.

I. Overview of the Survey

This survey involved to collected and write true information help and stop child labor force in Cambodia that give accidental to child labor force. After get enough data we are start to use and analisys to stop this problem.

In this execute survey:

-National Institute of Statistic (NIS) is the centralize in collection data statistic that related to child labor especial in work accidental.

-The data to be colleted will be vital in politician and analisys to makeing plans and help political for the country.

II. Simple Selection

Importance household in country will be selected as simple to interview for child babor survey in Cambodia each member household number will ask in family question list and child from 5 to 17 years old will ask directly in question III. for table question II ask about father mother or parent or who responsible for household. We hope to ask about 12000 simple household in this survey. Most of simple household are selected from urban and other from rural.

III. Prepare survey

The child labor force survey in country has to be wide to canvass the data required and needed many involve from Enumeratorss and Supervisorss to meet the objectives set out earlier. National Institute of Statistic (NIS) of the Ministry of Planning has higher responsible in this survey about International Labor Organization (ILO) is sponsored and support on the execute this survey. Who choisen in this survey job will work in group in

the city and province. Each group at least have Supervisors and Enumerators 3 to 4 person. The Supervisors were responsible on their each group and check edit mistake or fill blank for their group at the work place. At the center (NIS) Edit officer Typing officer and program officer must be involve in this survey. Coordinator officer has a major role to prepare training materials and control actual work in the target areas in all provincial towns.

All the table questionnaire that fill up but not correct or wrong situation will send back to do reinterview again.

IV. The Role of Enumerators

Each enumerators have responsible as following:

- There are 3 table question form and table list household need to fill up with correct and true situation information.
- Interview child have 5 to 17 years old in the household.
- Make sure and check the information that interviews are true and all the questionnaire have the answers correctly.
- During interview, you make a good impression by dressing appropriately and neatly to make easy with respondent.
- Must be making a good relationship with household for the next interview with member of household that absent during this interview.
- Enumerator must collect information or ask at each family household.
- Table question I and table question II ask with household head parent or who is responsible for family. And table III ask with child directly.

V. The Role of Supervisors

- Supervisor must be in charge of enumerator to make sure all interview processes successful and on time through good relationship and constant coordination with local authorities.
- Supervisor must regularly accompany with enumerators to solve all the problems that occur.
- Supervisor thoroughly check and control completed questionnaires at the site. In case any errors or skip or shortage or incorrect, supervisor ask enumerators to conduct the interview again to complement the gap of information or to conduct the whole interview again.
- Supervisor must provide and give sufficient table question forms and other materials to enumerators. If the table question forms and other necessary materials are left over from the use, the enumerators must hand back to Central (NIS).
- If supervisor suspect any point in the completed table question form which is not correct, the supervisor must personally conduct interview again.

CHAPTER 2

- Col(11) : Recode the ages when they start schooling at the first time.
- Col(12) : For who are currently attending. What was grade they are attending? enter code Grade/Class as bellow (col. 12-14 and 15).

99= None, 0=Pre-school/Kindergarten, 1=Class one, 2=Class two, ... , 11=Class eleven, 12=Class twelve, 13=Studying in College/university undergraduate , 14=College/university undergraduate completed, 15=Studying in College /university graduate, 16=College /university graduate completed, 17=Studying in Post-graduate, 18=Post-graduate completed, 19=Other(Specify).

- Col (13) : For who are currently attending. If they are study fulltime enter code “1” and goto Col. 15. Other if studies part time enter code “2” then goto Col. 15.
- Col (14) : For who are stop shooling. Enter code highest Grade/Class that they are attend before stop study.

Example: If they are study at grade 10 but not yet finish or finish enter code 10. Please check/look at grade/class code in Col. (10-12 and 13) in table questioniar form I (Pages 2).

- Col (15) : Highest Grade/Class that member household are finish successfull. Example:

- 1). If studying at grade 11 please enter grade code that completed seccessfull is “10”
- 2). If previously study at grade 11 notyet finish please enter grade code completed seccessfull is “10”
- 3). If studying at institute or univesity please enter grade code “12”.

Main Technical/vocational training skills for all persons 10 years and over

- Col (16) : Please list identify member household number that have 10 years and over inthis Col.
- Col (17) : If member household was completed technical/vocational training skills please enter code “1”. If studying or not yet completed please enter “2”. And if didn’t

study technical/vocational training skills please enter code “3” and then go to Col 22.

-Col (18) : Type of training technical/vocational skills

- a. if member household studying or completed short term training skills less than 1 month. please enter code “1”.
- b. if member household studying or completed short term training skill from 1 month to 3 months please enter code “2”
- c. if member household studying or completed short term training skill from 3 month to 6 months please enter code “3”
- d. if member household studying or completed long term training skill more than 6 months please enter code “4”

-Col (19) : Please detail main technical/vocational training skills

-Col (20) : Code number for centre (NIS)

-Col (21) : If member household has full time traing please enter code “1”. and if member household has part time training please enter code “2”.

-Col (22) : Marital Status

- a. if member household never married or single please enter code “1”
- b. if member household currently married please enter code “2”
- c. if member household widowed please enter code “3”
- d. if member household divorced please enter code “4”
- e. if member household separated please enter code “5”
- f. if member household Cohabitation please enter code “6”
- g. Other please enter code “7” and specify.

II. MIGRATION STATUS OF HOUSEHOLDS

-Col (1) /Q2.1: if household changed the usual place of residence in the last five years enter code “1”. if household never changed the usual place of residence in the last five years enter code “2” then go through to part III.

-Col (2,4,6) /Q2.2: Please recored commune, district, province name of the last usual place of residence before camming to current usual place of residence. If the last usual place of residence in the same place please enter code “SAME” in the Col (2,4,6).

-Col (3,5,7) /Q2.2: For centre used purpose (NIS)

-Col (8) /Q2.3 : If household coming/changing the present place of residence couese of Insecurity due to civil strife/natural calamity please enter code “1”. If household coming/changing the present place of residence couese of Family reunion/family moved please enter code “2”. If household

coming/changing the present place of residence cause of Better work prospects/in search for work please enter code “3”. If household coming/changing the present place of residence cause of on account of education please enter code “4”. If household coming/changing the present place of residence cause of Transfere of work place please enter code “5”. If household coming/changing the present place of residence cause of On account of marriage please enter code “6”. If household coming/changing the present place of residence cause of Repatriation please enter code “7”. If household coming/changing the present place of residence cause of Return after displacement please enter code “8”. If household coming/changing the present place of residence cause of Resettlement please enter code “9”. And other please specify enter code “10”.

Example : household was go to visite/stay with their relative for awhile duing flood after came back to current place. this change the present place of residence enter code “9”. If other enter code “10” and specify.

-Col (9,10) /Q2.4: The duration for household live in the current place (maximum 5 years)

Example : If household living in the present place of residence for 3 years and 5 months

(9) (10)
 Records

3	5
---	---

If household living in the present place of residence for 9 months and 10 days

(9) (10)
 Records

0	9
---	---

If household living in the present place of residence lest then 1 month

(9) (10)
 Records

---	---

III. MIGRATION STATUS OF CHILDREN 5-17 YEARS OF AGE (in the last five years ago)

-Col (1) : Munber identify member household number (child) from 5 to 17 years old.

-Col (2) /Q3.1 : If child living with the present household/family please enter code “1” and ask next child. If child no living with the present household/family please enter code “2”.

-Col (3,5,7) /Q3.2 : Please records name, Commune, District, Province for the last place of usual residence of child prior to coming to this household's/family's residence. If same commune, district and province please enter code "SAME" in Col (3,5,7).

-Col (4,6,8) /Q3.2 : For centre use (NIS)

-Col (9) /Q3.3 :

- a. If child working/had a job in the last place of usual residence prior to coming to this household please enter code "1"
- b. If child attending school/training institution in the last place of usual residence prior to coming to this household please enter code "2"
- c. If child working/had a job and attending school in the last place of usual residence prior to coming to this household please enter code "3"
- d. If child none/household chore/household keeping in the last place of usual residence prior to coming to this household please enter code "4"
- e. If answer different from **a** to **d** Please enter code "5" and specify .

-Col (10) /Q3.4 :

- a. If the main reason that insecurity due to civil strife/natural calamity came to live/reside with the present household/family, Please enter code "1".
- b. If the main reason that family reunion/family moved came to live/reside with the present household/family, Please enter code "2".
- c. If the main reason that better work prospects/in search for work came to live/reside with the present household/family, Please enter code "3".
- d. If the main reason that on account of education came to live/reside with the present household/family, Please enter code "4".
- e. If the main reason that transfers of work place came to live/reside with the present household/family, Please enter code "5".
- f. If the main reason that on account of marriage came to live/reside with the present household/family, Please enter code "6".
- g. If the main reason that repatriation came to live/reside with the present household/family, Please enter code "7".
- h. If the main reason that return after displacement came to live/reside with the present household/family, Please enter code "8".

-Example: Child was go to visite/stay with their relative for awhile duing flood after came back to current place. If have other reson different from (**a** to **h**) enter code "9".

-Col (11, 12) /Q3.5 : Duration for child has been living/residing in the present place of residence/present household (maximum 5 years)

-Please record number of years in Col (11)

-Please record number of month in Col (12)

-Example :

-If child has living present household for 3 years and 7 months

(11) (12)

-Enter code

3	7
---	---

-If child has living present household nearly 8 months

(11) (12)

-Enter code

0	7
---	---

-If child has living present household less then 1 month

(11) (12)

-Enter code

0	0
---	---

IV. HOUSING CONDITIONS

-Col (1) /Q4.1 : Ownership status of household dwelling

- a. if owner please enter code “1” then go to Q4.3.
- b. if rented from private owner please enter code “2”.
- c. if rented from Government/public ownership please enter code “3”.
- d. if provided free by employer please enter code “4” then go to Q4.3.
- e. if subsidised by employer (private or government/public ownership) please enter code “5”.
- f. if others please enter code “6” then goto Q4.3.

-Col (2) /Q4.2 : Give the amount paid per month by the household

If in this Col have code number “3,4 or 5” please enter amount paid per month by household as (Riels).

-Col (3) /Q4.3 : Type of the household dwelling

- a. If Single please enter code “1”
- b. If Duplex/Apartment/Condominium please enter code “2”
- c. If Commercial /Industrial/Agricultural Building please enter code “3”
- d. If Institutional Living Quarters please enter code “4”
- e. If Other housing Unit, Natural Shelter, Boat, etc. please enter code “5” and specify.

-Col (4) /Q4.4 : Number of living rooms, including drawing/dining rooms Please enter number of rooms.

-Col (5) /Q4.5 : Kind of Toilet facilities does household use

- a. If Connected to sewerage please enter code “1”
- b. If Septic tank please enter code “2”
- c. If Close Latrine please enter code “3”
- d. If Open Latrine please enter code “4”
- e. If Public toilet please enter code “5”
- f. If Other please enter code “6” (and specify.....).
- g. If None please enter code “7”

-Col (6) /Q4.5 : Kitchen:

- a. If Inside house please enter code “1”
- b. If Outside house please enter code “2”
- c. If None please enter code “3”
- d. If Other. please enter code “4” (and specify.....)

Example : different from the code provide bellow please enter code “4” and specify.

-Col (7) /Q4.5 : Sources of lighting:

- a. If Electricity from gov't and other private sources please enter code “1”
- b. If Generator please enter code “2”
- c. If Both electricity and generator please enter code “3”
- d. If Kerosene oil please enter code “4”
- e. If Candles please enter code “5”
- f. If Battery please enter code “6”
- g. If Other please enter code “7” (and specify.....)

-Col (8) /Q4.5 : Sources of drinking water:

- a. If Piped in dwelling please enter code “1”
- b. If Public Tap please enter code “2”
- c. If Tubed/ Piped Well or Borehole please enter code “3”
- d. If Protected Dug well please enter code “4”
- e. If Unprotected Dug Well please enter code “5”
- f. If Pond, River or Stream please enter code “6”
- g. If Rainwater please enter code “7”
- h. If Tanker Truck, Vendor or otherwise bought please enter code “8”
- i. If Bottled water please enter code “9”
- j. If Other please enter code “10” (an specify.....)

-Col (9) /Q4.5 : Sources of fuel for cooking:

- a. If Firewood please enter code “1”
- b. If Charcoal please enter code “2”
- c. If Liquefied Petroleum Gas (LPG) please enter code “3”
- d. If Kerosene please enter code “4”
- e. If Electricity please enter code “5”
- f. If None please enter code “6”
- f. If Other please enter code “7” (Specify.....)

-Col (10-13) and (21-32) /Q4.6 : Facilities and equipment does household use

-Enumerator must read all equipment/facilities that list in the table questioniar and please recode facilities and equipmant doese each household use in this Col

-Col (14-20) /Q4.6 : Enumerator remake or use this symble (✓) if this village can lisstion these radio FM (See table questionnaire).

V. Household income and expenditures

-Col (1) /Q5.1 : Average monthly consumer expenditure of the present household

Please recode average monthly consumer expenditure of the present household as “Riels” in Col (1) like food expence, Clothe, study, utility expence, etc. exclude buy car, moto, house, land etc.

-Col (2-3) / Q5.2 : Please detail monthly consumer expenditure of the present household

-Col (3) : For centre (NIS)

-Col (4) /Q5.3 : Average monthly income of the household

Please enter average monthly income of the household as “Riels” in Col (2) like Salary, wage, net income/ net, interest, rent house etc. except big amount like sale car, moto, land, house and incame from lottery etc.

-Col (5) /Q5.4 : Main activity from which the household derived major income during the last 12 months

a. if main activity which the household devided major incame is self-employment agricultural activity please enter code “1”.

Example: farm, grow crops or vegetables, raise livestock or chicken etc.

b. if main activity which the household devided major incame is self-employment non-agricultural activity please enter code “2”.

Example: restaurant, hotel etc.

c. if main activity which the household derived major income is Agricultural labour please enter code “3”.

d. if main activity which the household derived major income is Regular employment please enter code “4”.

e. if main activity which the household derived major income is Other casual labour please enter code “5”.

Example: Government, Company, Organization or employeeetc

f. if main activity which the household derived major income is Pensions, dividends, interest, property rent, etc. please enter code “6”.

g. if main activity which the household derived major income is different from a to f please enter code “7” and specify.

VI. USUAL ECONOMIC ACTIVITY OF HOUSEHOLD MEMBERS 5 (FIVE) YEARS OLD AND OVER DURING THE LAST 12 MONTHS

-Col (1) : Please recode member household number that have 5 years old and over in this Col.

-Col (2) /Q6.1 : during the last 12 months if household member engaged in any economic activity at any time like pay or as unpaid family worker or for family profit, or as independent worker for own gain/profit or for own final use or for pay debt or consumption please enter code “1”.

if household member not engaged in any economic activity during the last 12 months please enter code “2” then go to part VII.

-Col (3) /Q6.1: please list/recode the total duration of work in all economic activities in which he/she was engaged during the last 12 months. Example:

- 1). if less than 15 days enter code “0”.
- 2). if more than 15 days and less than 1 month enter code “1”
- 3). if 1 month 15 days over please convert to 2 months enter code “2”.
- 4). if household member engaged in any economic activity for 12 months during the last 12 months please enter code “12” and then go to table questionnaire number 6.4.
- 5). if child 18 years old over please go to table questionnaire 6.5.

-Col (4,5,6) /Q6.3 : For child aged 5 to 17 years old

If child attended/angaged in any economic activity less then 12 month during the last 12 monhts. Please give the main reasons (one or more reasons acceptable).

- 1= Awaiting results of job applications etc.
- 2= Too young/infirm
- 3=Sick/handicapped/disabled
- 4=Study/training
- 5=Could not find work/job
- 6=Did not want to work
- 7=Household chore/Parent don't allow
- 8=Dismiss/Bankruptcy/Prevented work
- 9=Other (specify.....)

-Col (7) /Q6.4 : For child aged 5 to 17 years old

If the child has attended school or institute during the last 12 months in full time please enter code “1” part time emter code “2”. If the child has not attended school or institute during the last 12 months please enter code “3”.

-Col (8) /Q6.5 : For child aged 18 years old over and have attanded/angaged in any econoic activity during the last 12 months

Please detail about type of work/job or main activity that household work during the last 12 months.

-Col (9) /Q6.5: for centre use (NIS)

-Col (10) /Q6.5: please detail type of the nature of the main activity or industry or business that he/she worked the most time (or most of the time) during the last 12 moths.

-Col (11) /Q6.5 : for centre use (NIS)

Example:

(8)	(9)	(10)	(11)
Typing		MEDE CO Company	
Inspect/examine		Finance ministry	
Farmer		farm, grow crops or vegetables, raise	
Primary's teacher		Toul kouk's primary school	

VII. CURRENT ECONOMIC ACTIVITY OF HOUSEHOLD MEMBERS 5 (FIVE) YEARS AND OVER DURING PAST 7 DAYS:

- Col (1)** : Please list member household number have aged from 5 years old over in this Col.
- Col (2)** : Please list member household name in this Col.
- Col (3) /Q7.1** : If the child do any work even for one hour on any day during past 7 days for paid/unpaid, profit, family gain, or for own final use or consumption please enter code “1” and then goto table questioniar 7.3. If not please enter code “2”.
- Col (4) /Q7.2** :
 - a. If household member have not work during past 7 days “answer no in table questioniar 7.1” but currently has work/business please enter code “1” for a job with assurance for returning to work (without or deducted payment)/an enterprise, etc.
 - b. if household member have not work during past 7 days “answer no in table questioniar 7.1” but currently has work/business please enter code “2” with payment and assurance for returning to work.
 - c. if household member have not work during past 7 days “answer no in table questioniar 7.1” but currently has work/business please enter code “3” for without assurance or agreement for returning to work.
 - d. if household member have not work during past 7 days “answer no in table questioniar 7.1” because currently no work/business please enter code “4” then goto Q7.9.
- Col (5) /Q7.3** : Please list the nature 's primary occupation during the past 7 days.
- Col (6) /Q7.3 : for centre use (NIS).**
- Col (7) /Q7.4** : Please list kind of economic activity/industry, like agriculture, manufacturing, construction, trade or service, did work in the past 7 days.
- Col (8) /Q7.4 : for centre use (NIS).**
- Col (9)** : please list memberhousehold number that have 5 years over.
- Col (10)/ Q7.5 : Work/Job status**

If household worked for paid employee please enter code “1”, Employer enter code “2”, Own-account worker /self-employed enter code “3”, Unpaid family worker eneter code “4”, Casual paid enter code “5”, Casual unpaid enter code “6”, if different from the list enter code “7” and specify.

- Col (11) /Q7.6** : In addition to the main occupation/activity, If household also work in any subsidiary occupation(s) or activity(ties) during past 7 days please enter code “1”, if not work in any subsidiary occupation(s) or activity(ties) during past 7 days please enter code “2”.
- Col (12) /Q7.7** : if household also available or looking for any additional work or business during past 7 days please enter code “1”. if household not available or looking for any additional work or business during past 7 days please enter code “2”.

-Col (13) /Q78 : if household seek any alternative work or business during past 7 days please enter code “1” and goto part VIII. if household didn’t seek any alternative work or business during past 7 days please enter code “2” and goto part VIII.

X. CHILDREN 5-17 YEARS OLD WHO WERE IDLE/DID NOT DO ANYTHING DURING PAS 7 DAYS (INCLUDE NOT ATTENDING SCHOOL/TRAINING INSTITUTION):

-Col. (16)/Q10.1: If the child does nothing with in seven days (not do any housework, no job, not go to school etc...), enter code number “1”. If the child not free (It means the child has done housework or gone to school or has job), enter code number “2” then pass to the next child.

-Col. (17) - (18) - (19)/Q10.2: Enter code number of main reason respectively of child in 5-17 years of age who does nothing with in pass seven days as following:
1= ill, 2= disabled, 3= too young, 4= bagger, 5=homeless, 6= drug addict, 7= other (please specify it). There are maximum three answers.

Healthy and safety which are related to the child’s work from 5- 17 years old, workplace, work related to employer and the parent’s view.

XI. Health and safety problem of the child from 5-17 years old who has job in one occasion (economic situation)

- (1): Please list the identity number of all children from 5- 17 years old.
- (2): Please note down all the name of all children from 5-7 years old.
- (3)/Q11.1: 5-17 years old Child, who has worked in one time, enters code number “1”. If not work until today, enter code number “2” then take over to question list number III.

-Col. (4)/Q11.2:

Which children who are observed by adult during working, enter code number “1” if there is not observed by adult, enter code number “2” then take over to question 11.4.

-Col. (5)/ Q 11.3:

If the observer is the parent, enter code number “1”. If the observer is the brother or sister, enter code number “2”. If the observer is the other relative, enter code number “3”. If it is observed by employer, enter code “4”. If it is observed by other person not list in above, enter code “5” and add more detail.

-Col. (6)/Q11.4:

Children who working and often go back home after finish the work, enter in code number “1”(less than or equal one day). If they often go back home

(less than or equal one month), enter code number “2”. If the children rarely return back home (more than one month), enter code number “3”.

-Col (7)/Q 11.5 :

Children who often do heavy work enter code number “1”. If they sometime do heavy work enter code number “2”. If they rarely do or never do any heavy works enter code number “3”.

-Col (8)/ Q11.6:

The parents answer that the child often has not good feeling or stress in work, enter code number “1”. If the answer is sometime the feeling not good or stress, enter code number “2”. If rarely or never has stress or not good feeling in working, enter code number “3”.

-Col (9): Keep the identity of children who are 5-17 years old that have work in one time in this col. (1) page 3 (in case col. (3)/ Question 11.1 code number “1”.

-Col. (10)/Q11.7: If parent or person in charge or responsible person in family thought that the child’s work is dangerous or risky, enter code number “1”. If they did not think that is dangerous job or very risk , enter code number “2” then pass it to question 11.9.

-Col. (11)/Q11.8:

Parents or in charge person or the responsible person in family has considered that

- Child could be dangerous in machine, enter code number “1”.
- Child may get burned enter code number “2”.
- Child may fall enter code number “3”.
- Child may impair hearing enter code number “4”.
- Child may face sight enter code number “5”.
- Child may suffer physical/physical mutilation enter code number “6”.
- Child may contract disease or get sick enter “7”.
- Child may bite by animals: snake, insect, bite or sting, enter code number “8”.
- Child might face gastro intestinal (e.g. ulcer, hepatitis, etc.) enter code number “9”.
- Child may face anemia enter code number “10”.
- Child may face general exhaustion enter code number “11”.
- Child may drown enter code number “12”.

-Child can have other problem beside all the problem above, enter code number “13” and more specify.

-Col. (12)/Q11.9:

During working, if the child controlled the machine or any equipment when working, enter code number “1”. If the child did not control machine or any equipment, enter code number “2” then pass to question 11.11.

-Col. (13) - (14) – (15) / Q11.10: Kind of machines/ equipments (In this question could have maximum three answer).

- If the child controlled the machine or used power press equipment, enter code number “1”. Example: like power press, Milling machines, Sawing machine, Plate printing machine ...etc.
- If the child used the machine or other milling machine/equipment, enter code number “2”. Example: Milling machine /equipment for milling metal, meat, powder, crop, rice...etc.
- If child used sawing machine/equipment enter code number “3”. Example: sawing machine/equipment for sawing wood, metal...etc.
- If child used big plate printing machine/ equipment enter code number “4”. Example: Big plate printing machine/equipment for printing books, newspapers, magazines...etc.
- If child used vehicle machine (Vehicle, motor bike, speed boat...) enter code number “5”.
- If child used other machine/equipment list above enter code number “6” then add specify.

-Col. (16): List identity number of children from Col. (9), page 4 of question in table II.

-Col.(17)/Q11.11:

During working, if child has been injury or hurt or suffered from illness enter code number “1”. If child has never been injury or hurt or not suffered from illness enter code number “2” then pass to question 11.18.

-Col. (18)/Q11.12:

If child often injuries or hurts or suffers from illness due to working enter code number “1”. If child occasionally injuries or hurts or suffers from illness enter code number “2”. If child rarely injuries or hurts or suffers from illness enter code number “3”.

-Col. (19)...(30)/Q11.13: (maximum three Occupation and Job)

Please prescribe about occupation or job which cause the child injury or hurt or suffer from illness in Col. (19), Col. (23), and Col. (27). Please describe about occupation or job which cause accident or injury or suffered illness to the child in the Col. (19), Col. (23), and Col. (27). Please describe about section of work which cause accident or injury or suffered illness to the child in Col. (21), Col. (25), and Col. (29).

-Col. (20), (22), (24), (26), (28), and Col. (30) : are for NIS.

-Col. (31): Please copy the Child's identity number from Col. (16), page 5 in case Col. (17)/question 11.1, code number "1".

-Col. (32)....(40)/Q11.14: Type of disease related to the work (maximum three answer)

- If child used to have general illness such as fever, cold, etc. due to work enter code number "1".
- If child used to have skin disease such as skin allergy, eczema, etc. due to work enter code number "2".
- If child used to have body aches as headache, back pain, lumbar pain, pain in the joint due to work enter code number "3".
- If child used to have eyes strain, eyesight impairment due to work enter code number "4".
- If child used to have hearing impairment, or deaf, or ear infection , etc. due to work enter code number "5".
- If child used to have breathing problem like: asthma, TB, pneumonia, etc. due to work enter code number "6".
- If child used to have gastro internal disease such as ulcer, hepatitis, etc. due to work enter code number "7".
- If child used to have anemia (lack of red blood cell) due to work enter code number "8".
- If child used to have very exhausted or tired, etc. due to work enter code number "9".
- If child used to have other disease enter code number "10" then more specify.

-Col. (41) (49)/Q11.14: Type of injuries related to work (Maximum three answer)

- If child used to have injury due to work such as bruises, Contusion, hematoma, abrasion, etc. enters code number "1".
- If child used to have injuries due to work such as cuts/wounds/punctures, etc. enter code number "2".

- If child used to have injuries due to work such as Amputation, loss of body parts enter code number “3”.
- If child used to have severe crushing injury due to work such as fracture, face injury, and head injury, etc. enters code number “4”.
- If child used to have injury due to work such as Dislocations, fractures, sprains, etc. enter code number “5”.
- If child used to have injury such as burn enters code number “6”.
- If child used to have injury such as bite by animals or snakes or insect enter code number “7”.
- If child used to have injury by chemist enters code number “8”.
- If child used to have other injury due to work that have not list on above enter code number “9”. And more specify.

-Col. (50): Please copy all the child’s ID from Col. (31), page 6.

-Col. (51)/Q11.15:

- If accident, disease or injury is not severe does not need any treatment enter code number “1” then pass to question 11.18.
- If accident, disease or injury is not severe but need treatment and recovery quickly enter code number “2”.
- If accident, disease or injury not so severe needs to stop working temporary enter code number “3”.
- If accident, disease, or injury is severe need to hospitalize enter code number “4”.
- If accident, disease, or injury is severe prevented work permanently enter code number “5”.
- If accident, disease, or injury is in other condition not in the list above enter code number “6”, and more specify.

-Col. (52)/Q11.16: Please record the number of day in Col. (52) in case Col. (51), code number “3 or 4”.

-Col. (53)-(54)-(55)/Q11.16: Place of treatment (Maximum three answer)

- If child has consulted with doctor about treatment of disease, injury, or accident at home enter code number “1”.
- If child has consulted with doctor about treatment of disease, injury or accident at workplace such as at company, construction place, etc. enter code number “2”.
- If child has consulted with doctor about treatment of disease, injury or accident at hospital enter code number “3”.

- If child has consulted with doctor about treatment of disease, injury or accident at dispensary enter code number “4”.
- If child has consulted with doctor about treatment of disease, injury or accident at clinic, doctor’s house, or health care center enter code number “5”.
- If child has consulted with doctor about treatment of disease, injury or accident at traditional treatment house (herb treatment) enter code number “6”.
- If child has consulted with doctor about treatment of disease, injury or accident at other place enter code number “7” and more specify.

-Col. (56)-(57)-(58)/Q11.17: Medical treatment expend (Maximum three answer)

- If Employer/ Boss who paid the child’s medical treatments enter code number “1”.
- If parents/guardian who paid the child’s medical treatments enter code number “2”.
- If brother/sister who paid the child’s medical treatments enter code number “3”.
- If other relative who paid the child’s medical treatments enter code number “4”.
- If the child who paid the medical treatments himself enters code number “5”.
- If the treatment is free of charge enter code number “6”.
- If the other who paid for the child’s treatment enters code number “7”. Then add more specify. Example: friends, neighbor, community, etc.

-Col. (59): Please copy child’s ID from Col.(1), page 3, in Col.(3)/Q11,1 which has code number “1”.

-Col.(60)/Q11.18:

In the present case the child has job enter code number “1”. If no job in the present enters code number “2”. The pass to questionnaire list III.

-Col. (61)/ Q11.19:

- If presently parents or guardian or the responsible person in family know that the child’s work is affected to the health enter code number “1” If he/she answer does not know about please enter code “2”.

-Col (62) /Q11.20 : if child use any protective wear while working please enter code “1”. If no please enter code “2” and then goto Q11.23. If don’t know please enter code “3” then goto Q 11.23.

-Col (63, 64, 65, 66) /Q11.21 : Please enter code any of the following protective wear while working as bellow:

- 1=Mask
- 2= Glasses
- 3= Helmet
- 4= Earplugs
- 5= Special shoes
- 6= Gloves
- 7=Protective clothing
- 8= None
- 9=Others (specify.....)

-Col (67) /Q11.22 : Please enter code for who provided them as bellow :

- 1=Employer/Boss
- 2=Parents/guardian
- 3=Brother/sister
- 4=Other relative
- 5=Self
- 6=Others (specify.....)

- 6=Burns
- 7=Bite by animal/snake/insect
- 8=Chemist
- 9=Others, specify.....

-Col (9) /Q17.3 :

- a. If child’s injury/illness, did not need any medical treatment please enter code “1”
- b. If child’s injury/illness, medically treated and released immediately please enter code “2”
- c. If child’s injury/illness, stopped work temporarily please enter code “3”
- d. If child’s injury/illness, hospitalized please enter code “4”
- e. If child’s injury/illness, Prevented work permanently please enter code “4”
- f. If child’s injury/illness, other from the list please enter code “4” and specify.

-Col (10) /Q17.4 : If child stop working for awhile (code number 3) or Hospitalized (code number 4) in Q17.3 please recode the number of days in Col (10).

-Col (10) /Q17.5 : If child required to operate any tools, equipment, machines, etc. at workplace please enter code “1”. If child not required to operate any tools, equipment, Machine, etc please enter code “2” then goto Q17.7.

-Col (12) : Please record ID number for child from Col(1) pages 6 table question form III.

-Col (13, 14, 15) /Q17.6 : Type of operate any tools, Equipment, Machine

- If child operate machine or Power press please enter code “1” Example : Power press, Milling machines/equipment, Sawing machine/equipment, Plate printing machine/equipment, Vehicle machines ...etc
- If child operate Milling machines/equipment please enter code “2”. Example: Machine/any tools, metal, meat, powder, rice,....etc.
- If child operate Sawing machine please enter code “3”. Example : Machine/any tools like wooden, cutting metal, saw.....etc
- If child operate Plate printing machine please enter code “4”. Example : Machine/tools like Printing books, newspaper, magazine...etc.
- If child operate Vehicle machine please enter code “5”.
- If child operate other machine please enter code “6” and then specify.

-Col (16) /Q17.7 : If child aware of any likely health problems or possible hazards, injuries or illnesses in connection with their work please enter code “1”. If don’t know please enter code “2” Then goto Q 17.11.

-Col (17) /17.8 : Please record the main risky /dangerous/hazards that child aware in connection with their work as following :

- 1=Prone to vehicular accident
- 2= Might get burned
- 3=May fall
- 4=May impair hearing
- 5=May face sight
- 6=May suffer physical mutilation
- 7=May contract disease/get sick
- 8=May bite by animal/snake/insect
- 9=May face gastro intestinal (e.g. ulcer, hepatitis, etc.)
- 10=May face anemia
- 11=May face general exhaustion
- 12= Respiratory (e.g. asthma, TB, pneumonia, etc.)/breathing problem
- 13= May drown
- 14=Other (Specify.....)

-Col (18) /Q17.9 : If child know illness that aware in connection with their work please enter code as the following :

- 1=General, such as fever, cold, etc.
- 2=Skin diseases (skin allergy, eczema, etc.)
- 3=Body aches/pains, (Head, neck, back, hand, wrist, joints)
- 4=Eye strain/eyesight impairment
- 5=Hearing impairment/ear infection
- 6=Respiratory (e.g. asthma, TB, pneumonia, etc.)/breathing problem
- 7=Gastro intestinal (e.g. ulcer, hepatitis, etc.)
- 8=Anemia
- 9=General exhausts
- 10=Others, specify.....

-Col (19) /Q17.10 : If child know injuries that aware in connection with their work please enter code as the following :

- 1=Contusion, bruises, hematoma, abrasion
- 2=Cuts/wounds/punctures
- 3=Amputation, loss of body parts
- 4=Crushing injuries
- 5=Dislocations, fractures, sprains
- 6=Burns
- 7=Bite by animal/snake/insect
- 8=Chemist
- 9=Others, specify.....

-Col (20) /Q17.11 : If child answer their job/work face any problems or difficulties with the present job please enter code “1”. If not face any problems please enter code “2” then goto Part XVIII.

-Col (21) /Q17.12 : Please record main reason that child face any problems or difficulties with the present job. Code number in table question form III (pages 7 behind).

XVIII. CHILD LABOUR - FOR CHILDREN 5 - 17 YEARS OLD

-Col (1) : Copy from Page 3 Col (2) /Q16.1 the corresponding line number of each child 5-17 years old onto this Col.

-Col (2) /Q18.1 : If child know likely health problem that aware in connection with their work please enter code “1”. If don’t know please enter code “2”.
